## THE GLEN CAMPBELL YEARS

**Glen Campbell** and **Jimmy Webb** were an unexpected pairing: a multi-platinum recording artist arch conservative and a child prodigy long-hair stoner songwriter. Yet, **Campbell** and **Webb** became one of the most successful musical collaborations of all time.

Their mutual admiration and sincere affection for one another has yielded a 50-year friendship, more than 100 recordings and timeless chart-topping hits including "By The Time I Get to Phoenix", "Wichita Lineman", "Galveston", "Where's the Playground, Susie", "Honey Come Back" among others. In this show, America's songwriter, **Jimmy Webb**, shares the music and personal stories of a friendship that provided the soundtrack for generations.
