## Bio

The Queen of Retro Pop has arrived. Currently touring the country, her piano solos and live shows are unmatched for their vintage and fun energy. She is best described as "Norah Jones meets Nancy Sinatra," and Tabitha Meeks' feel-good throwback music will make you bop your head, tap your toes, and feel empowered all at once. Her song "Cherry on Top" recently aired in the No. 1 Hulu/Disney+ show "The Testaments" (S1 Ep. 3), and her Holiday hit song "Ready for Christmas" has been used in over 1 million social media videos. Her new album *Can't a girl dream! Dropped* on February 20th, 2026. American Songwriter has awarded her 1st place in the Road Ready Contest 2026.

**"Tabitha Meeks is dubbed the queen of retro pop here in Nashville. She comes by her reputation by penning hooky tunes full of well crafted melodies and interesting instrumentation."** – Lightning 100

**"Tabitha Meeks opened the night in exactly the right way... Meeks' voice and delivery sit somewhere between Norah Jones' warmth and Nancy Sinatra's poise, a combination that worked perfectly in Union Chapel."** – Northern Exposure Magazine (London)

**"Can't a Girl Dream? released in early 2026. The ten track playlist is a technicolor cocktail of female empowerment, evoking cool shades and 3:00 PM Margaritas."** – PopMatters
