GYPSY SWING VELVET CARAVAN

Boris & Sasha Circus Adventure

Velvet Caravan's educational program consists of an original collaboration with narrated story and music written by **Velvet Caravan**. Though geared toward elementary school children, all ages can enjoy the simple, timeless story. Through the adventures of a dancing bear and a fiddle-playing lion that escape the circus to find their place in the world, listeners are taken on a musical journey through different styles of music. This work highlights the joy music brings, as well as the value of having the freedom to express oneself through music and dance. It conveys the lesson of how people (*or animals*) that are so different, originate from different parts of the world, and possess different talents can come together to make music and become the best of friends.

Velvet Caravan is a high-energy, acoustic-based quintet of guitar, violin, standup bass, percussion, accordion and keys. One of the shining lights of Savannah's burgeoning music scene, **Velvet Caravan** brings together musicians from as close as Austin and as far away as Venezuela and Slovenia. The group's varied lineage contributes to its eclectic sound, as they weave thick threads of Latin and gypsy music into acoustic swing jazz.
